It features a large white bowl filled with BIOBIM cereal rings, surrounded by scattered cereal pieces, a whole yellow corn cob, and a red and green apple. In the bottom right corner, there's a photo of a young child wearing overalls, smiling and holding a basket full of apples. The background is a solid light green. On the left side, there's a detailed product label for 'appel ringetjes' (apple rings) cereal. To the right of the bowl, there's another green speech bubble with the text 'biologisch graan en fruit ontbijt petit-déjeuner bio aux céréales et aux fruits'. At the top right, there's a smaller box for 'rondelles de pommes' (apple slices) cereal, showing its packaging and a price of 125g €. The BIOBIM logo is also present at the top right.
